

## **BYE-LAW | COMPLAINTS**

1. The University of Manchester Students' Union has a complaints procedure which deals with complaints from students and complaints from members of the public. Where the complaint comes from a member, this document should be read in conjunction with the Code of Practice on the Students' Union.
2. The Students' Union encourages complaints to be raised as soon as possible and within 6 weeks. Where possible, we will try to resolve complaints informally in a timely manner.
3. Complaints raised outside of a reasonable time period from the action (or inaction) prompting the complaint will only be considered where there is good reason for the delay.
4. All complaints shall be investigated thoroughly and objectively to meet a satisfactory and constructive conclusion. Investigations shall be conducted in confidence; however anonymous complaints will not be accepted under this Procedure as this may hinder data collection.
5. Where you are not satisfied with an informal resolution or something is too serious to raise informally, you are able to make a formal complaint. This guidance explains how to do that.
